

Homes, buildings where people live.

terraced houses

detached house

Urban Areas
Towns and cities, large settlements where lots of people live. Places with lots of buildings.

What can we find in Kenilworth?

Businesses can be factories shops and offices.

Offices, where the making and selling of goods are organised.

Factories make goods, things to sell.

Shops sell the goods made in factories.

Kenilworth

History, **place names** give clues that tell us what happened in the past at some places.

Parks, places where people relax, play and have fun.

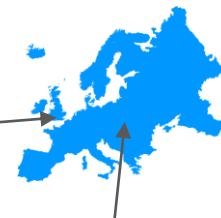

Kenilworth is in the English county of **Warwickshire**

Kenilworth is located in **England**, one of the countries of the **United Kingdom**.

United Kingdom

Continent of Europe

Transport uses up land. **People and goods travel** in and between **towns and cities**. People and goods travel through the countryside to get from town to town.

New things built that **change** the urban environment. **Change** happens all the time.
